## ABOUT ME

Motivated and detail-oriented Computer Science student with a strong foundation in software engineering and web development. Skilled in HTML, CSS, JavaScript, React, Tailwind CSS, and Git, with growing knowledge in Salesforce administration. Completed a front-end development internship, gaining practical experience in building responsive, user-friendly web applications and collaborating within a professional development team. Passionate about creating clean, modern interfaces and continuously improving technical skills. Currently seeking opportunities to apply my expertise through internships or entry-level roles, while contributing to innovative software solutions and expanding my experience in the IT industry.
